EXPERIENCE LETTER

To Whom It May Concern,

This is to certify that **Mr. Temesgen Sisay Gezahagn** has been employed at **Hawi Software Solution** as an **IT Support Specialist** from **January 2024 to Present** at our **Adama Branch Office**.

During his tenure, Mr. Temesgen has consistently demonstrated strong technical skills, professionalism, and dedication in supporting and maintaining the company's digital systems, including the **E-Student platform** and related applications.

His key responsibilities included providing user and technical support, managing system operations, performing hardware and software troubleshooting, and assisting in system administration and data management. He also contributed to training instructors and administrative staff, testing new system updates, and ensuring efficient and reliable system performance across departments.

Mr. Temesgen has shown excellent problem-solving abilities, teamwork, and a proactive attitude toward improving system functionality and user satisfaction. He has been a valuable member of our technical support team.

We sincerely appreciate his contributions and wish him continued success in his future professional endeavors.

Sincerely

**HAWI FEYISSA
ARARSSA
GENERAL MANAGER**
